Notes: We raised this horse and he has been used on the ranch a lot. We have branded thousands of calves on him. He has been used to snub and pony colts, as a turn back horse, to doctor cattle outside and to ship cattle on. We have been roping on him out of the box and he has been hauled a lot. He is really good minded and willing.

Sire: WAR BLACK IKE (1996). AQHA Open Performance ROM earner of 10.5 Open Performance points.
